

**THE MASTER  
MODERNISM and  
MASTERPIECE SERMONS**

\*\*\*\*\*

Before getting to the unpleasant task at hand, I want to say THANK YOU to all of you who prayed for our family in the untimely death of our grandson, JACOB SHANE HOCH, August 23, 2006 to March 21, 2018. This is the most horrible and hurtful thing we have dealt with so far. It is like it happened just today, though the LORD has sustained us through seven months now. Words cannot express how bad we miss him. He had written "God Is Good" 212 times in his Bible with countless notes and Scripture notations. He was a remarkable young man. A Great Companion, Faithful Servant, Great Singer, Prayer Warrior, and he sat on the AMEN pew. He loved Bible Preaching! My wife and I consider it our utmost honor being his grandparents, and we look forward to the COMING OF THE LORD, and that glad reunion day.

Again, THANK YOU!

This was the last picture I took of him the day before he passed away. He caught four bass that evening 3.5 to 4 pounds each.

\*\*\*\*\*

\*\*\*\*\*

The last article was titled, “The Majority Of Preachers You Know Will Go To Hell.” I remind you “as it was in the days of Noe, so shall it be also in the days of the Son of man.” Noah was the last saved preacher on this earth before the flood came. The rest had already died off.

We live in a day when MODERNISM is running rampant in our land. Men who once stood on the Word are now COMPROMISING with the world. Promoting the very appearance of evil is now overlooked by the masses as the norm. Preachers have quit preaching about sin and are now little more than RELIGIOUS PARTY PLANNERS.

Go to any “BIBLE CONFERENCE” or “CAMP MEETING” and listen. You will hear very little Bible, but you will hear a lot of actors PERFORMING their songs with no REALNESS OF HEART at all. They are in the BUSINESS OF RELIGIOUS ENTERTAINMENT with no real WORSHIP whatsoever. Preachers are working on MASTERPIECE sermons that make people feel good about themselves like they are without the need to repent.

When singers quote a Scripture, most of the time it comes across with a PHONEY AIR. It is obvious to any BIBLE BELIEVER they do not know the one they are claiming to sing about. Professional singers will PERFORM for any religion that preaches any doctrine and uses any Perversion of the Bible.

Sometimes BIG NAME preachers are invited hoping to draw larger crowds. Larger crowds mean more money! The promoter of such meetings doesn’t care what his big named guest may preach or practice, as long as he is popular enough to draw a crowd. They are set on making the House of God a house of merchandise. Their eye is on DOLLARS not DOCTRINE!

The following FLYERS will shed more light on the subject at hand. After seeing this advertisement organized by Dennis Erwin, a dyed in the wool Southern Baptist (I’ve known for 40 years), I couldn’t help but wonder, what makes Mark Thrift and Ronnie Barefield identify with such a MODERNIST movement as this. I don’t know some of the people on his flyer, but I’ve known Mark Thrift since he was three years of age. I asked him if he was now going that direction. He never answered. I asked Ronnie Barefield, whom I’ve known for some 40 years, the same question. His excuse was, “I don’t have an answer that’s going to satisfy you probably.”

Really, that’s his answer?

I’ll be satisfied with a BIBLE answer. A satisfactory answer will come from the WORD OF THE LORD!

We’re not talking about a few NIT PICKING things we don’t agree with. We’re talking about the DOCTRINE OF APPEARANCE that has been violated here. We’re talking about a preacher who once stood against such a worldly appearance who is now putting his stamp of approval on it.

This compromising decision will be detrimental upon the lives of young men and women for years to come.

This is a STUMBLINGBLOCK that will put an occasion to fall in the way of other young men and women. Romans14:13. If this was just another young man on the street I wouldn't say a word, but it is not. Foolish preachers have made him an EXAMPLE OF BELIEVERS even though he has crossed the guidelines of the SCRIPTURES. If your friendship means more to you than THE WORD OF GOD you need something fixed in your own heart.

The bulletin from Robert Jeffress church back in June 2018 reveals some disturbing news to any Bible Believer. They teach "Daddy Daughter Dance, Beach Week, Taekwondo, and Women's Boundaries" and the list goes on.

Spiritual isn't it?

That's part of what these preachers have IDENTIFIED with.

It is no wonder why the world thinks CHRISTIANITY is a joke!

One of the Erwin sons has hair beyond the bounds of the BIBLE. Either no one has pointed out the Scriptures to him, or he's rebelled against the Word of The Lord. Perhaps he likes living on the edge and pushing the limit. Maybe he likes that BAD BOY look that shows he dares to be different.

The Bible is clear on the matter, “Doth not even nature itself teach you, that if a man have long hair it is a shame unto him?” 1 Corinthians 11:14

We dealt with this liberal appearance back in the sixties. Before any of you good “DOCTORS” make a fool of yourselves, I’ll answer the question for you.

“HOW LONG IS LONG?”

That answer is in verse 4. “Every man praying or prophesying, having his head covered, dishonoureth his head.” See the word covered? It means “beyond or down more than NATURAL, or out of measure.”

Everyone has a NATURAL hairline. When a man’s hair begins to get past that NATURAL hairline, its time he got a haircut to keep it in its bounds. A man cannot cut his hair too short but he can grow it too long. A woman cannot grow her hair too long, but she can cut it too short. The lesbian look for women is hair cut so short her natural hairline is exposed. Usually the BUTCH look is worn by the Dyke. You might want to stay away from that look.

The longer a man grows his hair the closer he gets to SHAME. The shorter a woman cuts her hair the closer she gets to SHAME. That’s the word of the Lord!

Someone will say, “My preacher said it meant you can’t wear a hat while praying.” That’s because he’s STUPID!

Men are to look and act like men, and women ought to look and act like women. Both of these meetings have a special ladies session for the women, but you won’t hear them teaching 1 Timothy 2:9-12 or Titus 2:3-5 or Deuteronomy 22:5 or Ephesians 5:22-33. No BRITCHES wearing, career minded woman, wants to be a keeper at home, nor submit to their own husband! So get out on the GOLF COURSE and keep your MOUTH SHUT!

The main thing to remember is, while the women are getting to have a Bible study, the men get to PLAY GOLF!!! (It's in the FLYER)

God Bless Godly women who believe God and are privileged to follow the Word of the Lord by God's design for them. You are few in number but your reward shall be great in Heaven.

There was a time when some of these men would not use such an APPEARANCE of leadership in their Church, nor identify with such foolery as stated in the bulletin of First Baptist Church in Dallas. Now they have yoked up with it.

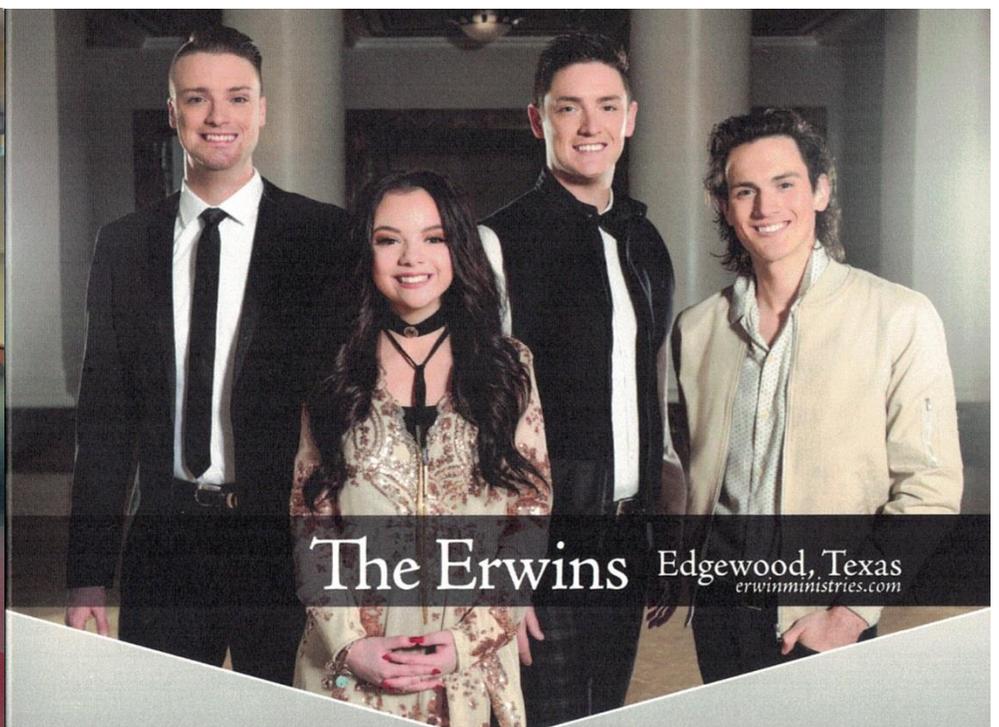

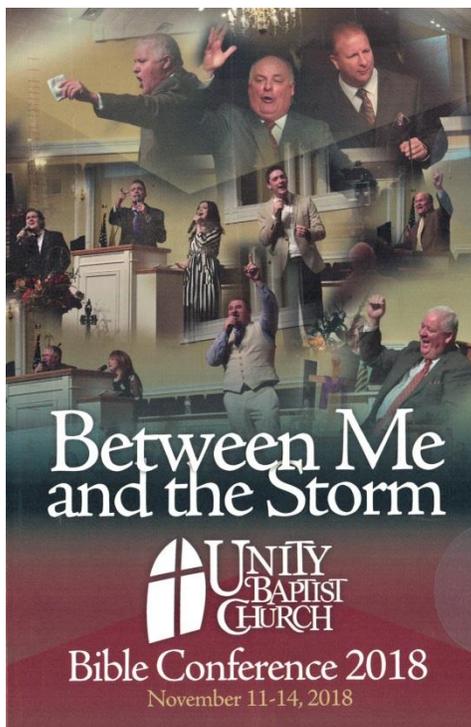

What happened to... "Come out from among them, and be ye separate, saith the Lord,..." 2 Corinthians 6:17

This is the kind of planning that happens when a Sunday School teacher or Mommy gets a five year old to repeat a prayer, tells him he's saved, called to preach, and trains him be a PERFORMER.

YOU DON'T GET SAVED WHEN YOU'RE FIVE YEARS OLD! Salvation is NOT repeating a prayer. Let me simplify it for you. EENY MEENY MINEY MOE YOU DON'T GET SAVED WHEN YOU'RE FIVE YEARS OLD!!!

This RELIGIOUS world is filled with PERFORMERS who have no clue what it means to be BORN AGAIN!

Ronnie Barefield sent me his Bible Conference flyer. The following is part of his lineup. I understand now why Ronnie didn't want to deal with this subject of long hair. He's got it lined up for his own conference. Ronnie has just put his stamp of APPROVAL on this LIBERAL appearance!!!

**SHAME** on him and all of you who remain silent on this matter.

I don't know Joe Arthur. I hear good things about him. I used to see him advertised with Phil Kidd. Though Phil doesn't like Ronnie and Ronnie doesn't like Phil, Joe seems to be able to get along with both. I think that's amazing. Anyone who can get along with Phil Kidd, Ronnie Barefield, and The Southern Baptist Convention at the same time can surely be a friend of mine.

The Bible says, "A friend loveth at all times, and a brother is born for adversity." Proverbs 17:17 Part of the problem is revealed by this verse. We seem to think a brother is born for our APPROVAL instead of ADVERSITY.

I am certain many will want to tell me what good people these are. They are polite, cordial, kind, talented, etc. I agree wholeheartedly, but according to the Bible, IT IS A SHAME FOR A MAN TO HAVE LONG HAIR!

I shouldn't have to deal with this matter, but the Word of the Lord shall stand.

The test of a Christian is not how nice we are, but how we respond to the Word of God! "He that is of God heareth God's words: ye therefore hear them not, because ye are not of God." John 8:47

"Faithful are the wounds of a friend; but the kisses of an enemy are deceitful." Proverbs 27:6

In forty four years of ministry I have lost a lot of friends over the Bible and that is sad. Phil Kidd used to go all over the country preaching to young and old alike. He busted hide and condemned GAMES AND GIMMICKS, until it came to his own son. I exposed the heresy of his son, and now Phil won't even talk to me about the matter. He obviously did not believe what he was preaching all those years. Either he was wrong then or he is wrong now. Phil now uses games and gimmicks to try and build the Church he now pastors. I'm still his friend but he chooses NOT to be mine.

I'm certain that will be the case here. I'm still a friend to all I have mentioned in this article, but they will most likely choose not to be mine. Friendship has nothing to do with the subject at hand. It is a BIBLE matter.

If this has upset beyond measure, perhaps next year you can go to Phil's "SPRING FLING." Everyone is invited. There is FREE cotton candy, popcorn, hot dogs, bouncy houses and more... He'll SELL you a sermon but the fun and games are free! Perhaps it will make you feel better.
